Regulations and guidance for manuscripts delivery & format

- Each article will be reviewed by two reviewers and forwarded to the authors to consider their comments.
- All paper should be written according to the system of the Journal of Animal Science.
- Software used for writing would be Microsoft Word (any version).
- Page format; B5 size, with the following margins; top: 2.5 cm, bottom 2.5 cm, left 2.5 cm, right 2.5 cm, 0.5 cm left gutter. Font 11(Times New Roman).
- Only emailed articles prepared in the proceeding format are accepted. The Association will handle printing and distribution to the reviewers.
- For Egyptians, additional three printed copies of the manuscript, double space with lines numbered, full A4 page size, needed for reviewing. The first page shows only the title and keywords. A covering page includes the title, authors' names and addresses and email addresses needed to attach.
- Reviewers comment will be emailed to authors to prepare a final draft.
- For all participants, the final drafts should be sent back in electronic format (email or CD).
- Arabic summary is encouraged. Font type Simplified Arabic; Title, authors' names font 11 bold; affiliations, text font 11 regular.

- Photos will publish B & W, otherwise authors will be asked for true color cost. Tables, figures and photos should be placed within the text .
- Table's format is essential to construct, as each mean value or columns' heading typed in a separate cell, i.e., do not put all means in a column in one cell. Please consider the size of the pages while preparing tables and graphs.
- Sub-titles are written in italics (Times New Roman, Font 12) (lined in the manuscript) with only the first letter of the first word in capital.
- Leave a line between Title and authors names and between authors name and affiliations.
- Following the title, author(s) name(s) (with initials preceding) and address(es), articles are often divided into the following sections: Summary (not more than 250 words), Introduction, Materials and Methods, Results and Discussion, Conclusions, Acknowledgment(s) and References.
- Capitalize the letters of the major work in both the article's title and the sections titles, e.g. Material and Methods (Times New Roman, Font 12 Bold). Text written font 11 regular.
- Abbreviations of the Journal of Animal Science are adopted in EASG journal. Any other abbreviations must be defined. Notice that a period (dot) (.) is put after the abbreviation.
- Enumerations zero to ten should be spelled, e.g. zero, one, two, etc. Values greater than ten or that followed by abbreviated units should be written in Arabic numerals. e.g. II animals, 49 wk.
- Tables must be legible ,self explained and with suitable size. Avoid, as possible, tables in horizontal direction or in more than one page. The table heading is written as: Table 2. Means of Capitalize the first letter of the first word in each column heading. Footnotes are referred to by numbers 1, 2, ..
- Tables fonts; Title & headings font 11 bold, numbers font 11 regular.
- Refer to Tables, figures and plates in the text by capital first letter T, F and P.
- Do not repeat information in tables in graphs. Select one tool to present results effectively.
- Referring to authors would show in name for single or double followed by Year, e.g. Garrette 1990, Ahmed and Cline 1989. In case of three or more authors the name of the first author only is mentioned followed by et al., 1989.(Authors & years within text written bold)
- In the references section, each reference is shown in the following succession; name of author(s), Year, title and editing authority, plus publishing Co. in case of books and symposia. In case of periodicals the volume No. is followed by the number of the first page of the article, if the reference is a book or symposium the pages of the article referred to are shown as pp. 42- 46, or the chapter No. stated in italic (lined in the manuscript) the periodical name (e.g. J. Anim. Sci.), in case of books the first letter of each main word of the title is capital.
- In the references; names and year font 11 bold, other font 11 regular.
- Key words position after the English summary, not more than five key words, font 11 italic. Key words: *sheep, digestibility,*
