# ***British Society of Animal Science***

***The British Society of Animal Science aims to provide the opportunity for those with an interest in animals and animal production to exchange views, ideas and information. It is an energetic and active society with about 1000 members from over 30 countries throughout the world. Today, as ever, the Society is the natural meeting point for all of those with an interest in animal science. Its membership is drawn from research, education, advisory work, commerce and the practical livestock industry.***

***The Society's Journal is Animal Science which publishes fundamental and applied research and is a major scientific title of international repute. Papers reporting findings from basic and applied research relevant to all aspects of animal science can be found in it.***

***The Society organises a major scientific meeting once a year and occasional specialist meetings on key issues facing animal production. If you would like to join or receive further information about the Society contact:***

*Proceedings  
of the  
British Society  
of Animal Science  
2003*

Published by  
*British Society of Animal Science*

*The Proceedings of the British Society of Animal Science constitute summaries of papers presented at the Society's Annual Meeting in York in March 2003*

*The summaries have not been edited and the Society can accept no responsibility for their accuracy. Views expressed in all contributions are those of the authors and not those of the British Society of Animal Science.*

*This publication contains all the summaries that were available at the time of going to press.*
