

Session 5: The Broader EU/Global Landscape

Speaker: Ana Granados Chapatte | European Forum of Farm Animal Breeders

Bio

"Ana Granados Chapatte | Director of the European Forum of Farm Animal Breeders (EFFAB) and General Secretary of the Farm Animal Breeding & Reproduction Technology Platform (FABRE TP)

Ana was educated at the Polytechnic University of Madrid as agronomist in zootechnics with a special focus on Animal Reproduction and Genetics. She has worked for the Belgium cattle breeding cooperative AWE for twelve years and represented Wallonian farmers for six years. Ana is also active in the Animal Task Force board, the private-public partnership, promoting EU research in the livestock sector. She is the director of EFFAB since 2018. "
