

The poster features a blue and white background with a large DNA double helix on the right. On the left, three hexagonal images show a cow, a sheep, and a pig. The title 'Gene editing farm animals: the facts' is in large black font. Below it is a dotted line. The event details 'Mercure Manchester Piccadilly' and '7th November 2024 | 10:00 - 15:30' are in bold black font. The BSAS logo (British Society of Animal Science) is in the bottom right corner.

Session 5: Panel Discussion on Precision Breeding

Panellist: Dr Annie Williams | Business Development Manager, UK Agri-Tech Centre

Bio

Annie is the first-point of contact for collaborative research initiatives. She's on hand to help UK Agri-Tech Centre members identify new funding opportunities, build partnerships around those opportunities, and transform ideas into active projects. Annie's valuable combination of commercial and research experience is matched by her enthusiasm for driving the livestock industry forward.
