

ANIMAL SCIENCE INDUSTRY PRIZE 2026

Candidates are judged on the quality of their abstract and, if successful in becoming one of the five finalists, an oral presentation at the BSAS Annual Conference

The judges will evaluate the abstract/presentation on the following criteria:

- the potential transformative effects of the research
- how clear the expected commercial impact of the work is
- how it will be applied in practice
- clarity of what is needed to ensure positive impact of the work is achieved
