FOR ABSTRACT
SUBMISSION
GUIDELINES**

Uniting science with hands-on practice in horse care, this conference will delve into vital subjects such as nutrition, rehabilitation, behaviour, welfare, health, genetics, and horse/rider performance. Through a blend of scientific presentations and engaging workshops, we aspire to connect cutting-edge research with practical implementation for all participants.

SUBMIT YOUR ABSTRACT HERE »

The Symposium organising committee welcomes abstract submissions for oral presentations for this year's conference.

Many different types of research covering a range of topics are welcome, including behaviour, welfare, health, nutrition, genetics and horse/rider performance.

The deadline for submissions is the 30th September at 12 noon (GMT)

SUBMIT YOUR ABSTRACT HERE

Submission Deadline is the 30th September at 12:00 (GMT)
